Issued 08/04/2026

This website has been independently assessed by Ian Taylor, Head of Development at Jolly Good Web Ltd, following a full accessibility audit conducted in September 2025 and reviewed in April 2026.

Following the resolution of all critical errors identified in the original audit; including skip link code, contrast failures, and form issues, it is my professional assessment that mimagroup.com meets WCAG 2.2 AA standard and satisfies the requirements of the European Accessibility Act (EAA) and US American Accessibility Act (AAA) at this present time.

A handwritten signature in black ink, appearing to read 'Ian Taylor', written in a cursive style.
